

# Arriving Flights

## Journey Safe

Even an experienced traveller, arriving in a new country or port can feel unnerved, especially in developing countries or places of civil unrest. Points of entry can often be targeted by criminals whilst newcomers are orientating themselves to unfamiliar surroundings.

### Service Menu:

- Country / Region Risk Assessments
- Meet & Greet
- Medical Support
- Enhanced Communications
- 24/7 Operational Support
- Journey Planning
- Logistic Support
- In - Country Due Diligence on Agents and Support Elements

Allmode offers a meet and greet service as part of its journey safe package that not only helps with security but local logistics too. Our experienced security officers will meet clients at the point of entry, provide a country / location brief once in a safe location and deliver them safely to their destination.

Many clients request for an extension to the meet and greet service, especially when they are travelling in hazardous and remote locations, and engage us to organise of all the elements of their journey.

Allmode are able to provide risk assessments of the route, plan the journey, support emergency response planning and liaise with local authorities and agents . By utilising Allmode to manage your employees journey you substantially reduce and mitigate the risk of losing your operational capability due to your workforce not arriving or accruing problems along the way.
